

A

An architectural rendering of a two-story house with a rustic, mountain-style aesthetic. The exterior features a combination of grey stone masonry and dark wood siding. A prominent, multi-story chimney made of stone rises from the roofline. The house has a steep, gabled roof with dark shingles. Large windows with dark frames are visible on both floors, some with white curtains. A covered porch with a dark wood railing runs along the front of the house. The house is surrounded by lush greenery, including trees with green and autumn-colored foliage, and flowering bushes in the foreground. The sky is light blue with stylized white birds. A yellow circular marker with the letter 'B' is located in the bottom left corner of the image.
