

This architectural elevation drawing, labeled 'A', shows a single-story house with a red exterior. The house features a prominent stone chimney on the left side and a large gabled entrance on the right. The roof is covered in grey shingles. A long, low dormer with multiple windows is positioned on the roof. The house is surrounded by various trees, including a large evergreen on the left and several deciduous trees with green and yellow foliage on the right. The foreground is a flat, light-colored surface.

Architectural rendering of a small, single-story building with a gabled roof and a golf cart. The building features a dark, shingled roof and a light-colored exterior. It has a large window with a dark frame and a set of double doors with glass panels. The building is surrounded by greenery, including trees and shrubs. A golf cart is parked to the right of the building.

This architectural elevation drawing shows a building with a prominent stone chimney on the left side. The building features a covered porch with a wooden railing and a stone wall. The roof is covered in shingles. The building is surrounded by landscaping, including trees with autumn foliage on the left and a large green tree on the right. The drawing is set against a light blue sky and a light blue ground plane.

A 3D architectural rendering of a single-story house. The house features a gabled roof with a central dormer window containing four panes. The main body of the house has a covered front porch supported by four square columns. The porch has a stone base. The house is surrounded by large green trees and a small bush. A golf cart is parked on the right side of the house. The entire scene is set against a light blue sky and a tan ground plane. A blue circle with the letter 'D' is in the top left corner.
